COMMUNITY GROUP QUESTIONS

Please Note: If you are interested in getting involved in a Crossroads Community Group, please visit www.crossroadschurchaustin.com and choose Get Connected.

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in Scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or Community Group.

1. John says that he heard Jesus, saw Jesus, and touched Jesus. Which particular experiences that John had would you most like to have had with Jesus?
2. Why should we trust an eyewitness testimony of Jesus' life over the critiques of people who lived long after He ascended back into heaven?
3. Why is having eyewitness testimony about Jesus helpful in sharing our faith with non-Christians?
4. Why is fellowship only possible with God and each other through Jesus Christ?
5. How are you experiencing the fellowship with God and Christians that John speaks of? According to John, how is complete joy possible?
