Community Group Questions

Community Group Questions:

1. What were your major take-aways from Sunday's sermon? What did the Holy Spirit impress upon your heart? What was convicting? What was encouraging? What are you going to do about it?
2. Discuss Russell's major points from Sunday. What resonated with you most?
3. Think back on the entire BE RICH series.....what have you learned? What has been most challenging for you? What has encouraged you? How will you live differently because of what you have learned?
4. Share with the group how you (or your family) approaches giving? Do you have a giving testimony? If so, share it with the group if you are comfortable doing so. How generous do you consider yourself? Grade yourself on a scale of 1 to 10 (ten being super generous).
