

We eventually have to move from Why should we chase Jesus to How and When?

How do you develop a Holy Discontentment?

1. Introspection
2. Know and embrace the promise that God is at work in you.
3. Get yourself around men & women who are beyond you spiritually.

Nobody stumbles into Godliness.

In fact, our natural tendency is to drift.

If How and Why do not get answered – it's not happening!

You growing in truth is inseparably tied to you practicing the truth you already know.

Our personal relationship with Jesus was never meant to be private

We must remember who we are.

Our sights must be set on heaven.
