## Community Group Questions

---

1. Why do you believe Jesus would posture Himself as a servant and not a King or a warrior?
2. What is it about Jesus' character that made Him so attractive to everyday normal people that He encountered?
3. Why aren't people in Austin drawn to those that follow Him like they were drawn to Jesus in scripture?
4. Read Matthew 5:15-16. What do you believe is your contribution to show the light spoken of here?
5. Out of your schedule (time), your gifts (talents), and your generosity (finances), which do you feel could be shared more? In the community? At Crossroads?
