Community Group Questions

Discussion Questions:

1. What is your grace story? How did Jesus enter into your life? How has this brought joy into your life?
2. Read the backstory of the church in Philippi (Acts 16:11-34). Describe the people that Paul meets in Philippi and how the Gospel uniquely meets them where they are.
3. Since Paul approached 3 different people in 3 different ways with the Gospel, what does that say about how we spread the good news?
4. What are the relationships you have into which you could bring the Gospel? What approach to reaching this person makes the most sense?
5. Knowing Him and making Him known is critical to experiencing joy. Why?
