## Community Group Questions

*This may be a week where you split your group into men and women to discuss at a more transparent level. This is not imperative, but only a suggestion to facilitate deeper, more real conversation. I encourage you to at least start and end the group together.*

1. *What did the Holy Spirit impress on your heart as you listened and interacted with Sunday's sermon?*
2. *What has lust, porn, and adultery cost you in your life or those in close proximity to you? Is it worth it?*
3. *Just like we all struggle with anger, where are you in your struggle with lust? What's the difference between being friendly, flirting, and committing adultery in the heart? What do you do to keep your thought life pure?*
4. *How do you feel about verses 29-30 – what point is Jesus making?*
5. *What boundaries have you set in your life when it comes to the opposite sex? (when you travel, sharing meals, transportation, alone time, etc).*
6. *Are you emotionally or physically attracted (or attached) to someone that is sinful or unhealthy? If so, who have you confessed this to? What next step do you need to take?*
7. *Pray for one another, our children, and their future spouses as we seek purity in a culture of porn.*
